Safety Procedures

1. Do not visit our field or tent shopping area if you are sick or have any reason to believe you could have COVID-19.
2. Maintain a safe distance from other customers while picking in the field.
3. Maintain a safe distance from staff and other customers when shopping under the tent.
4. Observe the appropriate spacing when waiting in the check-out lines under the tent. There will be marked areas to stand while waiting to check out.
5. You may consider wearing a mask when shopping under the tent.
6. Use the provided sanitizer as you enter and exit the tent area.
7. Utilize the provided drive thru checkout lane if you ONLY want to purchase produce that you have picked in the field. This would be cash, credit or debit card only. This will allow you to pay without leaving your car.
8. If you would like to purchase already picked produce from under the tent please consider visiting our farm on the off peak days and times. This will allow you to shop with fewer people under the tent. Our busiest days each week are Friday and Saturday and our busiest hours are usually around 7 until 12:00.
9. We will be offering an assisted shopping service if you are only purchasing already picked items. This will allow you to remain in your vehicle. You will need to park in the designated area of our parking lot and a staff member will assist you. Please note we will be better able to serve you from your car if you do not visit during busy times and days.
10. Please limit your party to 1 to 2 people under the tent. Please have all other members of your party wait in the vehicle while checking out.

Tips

- Stay Hydrated (We sell water at Snack Shack)
- Wash your hands before and after picking produce.
- Use bathroom facilities provided for you.
- Wash your picking buckets with warm, soapy water.
- Do not litter in field.
- Do not bring pets in field.
